

YES ON 50

— FAIR ELECTIONS —

VOTE NOV. 4TH

Our Democracy Depend On It **Why It's Crucial for Proposition 50 to Pass**

With Proposition 50, California voters have the opportunity to fight back against Trump and the Republican cuts to healthcare, the rising cost of living under tariffs, and the cruel abductions and forced removals of immigrants.

Proposition 50 is a direct response to a Republican power grab orchestrated by Trump and state leaders in Texas, who redrew Congressional district lines to gain five more seats in the U.S. House of Representatives.

Proposition 50 proposes new lines for many of California's 52 congressional districts, which would negate the five Republican seats drawn by Texas. Under the proposed lines, Democrats could gain up to 5 seats in the U.S. House of Representatives. With a majority in the House, Democrats can fight back against Trump and Republicans' MAGA agenda.

What Proposition 50 Does

The proposition includes several key provisions and is on the ballot through a special election on November 4th. Proposition 50:

- **LEVELS THE PLAYING FIELD.** Prop 50 makes sure the 2026 mid-term elections are conducted on a level playing field without an unfair advantage for Republicans.
- **COMMITTS TO FAIR REDISTRICTING.** Prop 50 reaffirms California's commitment to independent redistricting and calls for a nationwide commitment to fair and impartial maps.
- **GIVES VOTERS THE POWER.** Prop 50 puts the power in the hands of the People of California, not backroom politicians, to approve emergency congressional district maps in response to Trump's election rigging scheme.

YES ON 50

CALIFORNIA REPUBLIC

- **IS FAIR AND PROPORTIONAL.** Prop 50 provides emergency maps only because Republicans moved forward with their power grab.
- **IS TEMPORARY.** These maps expire in 2030. Prop 50 preserves California's award-winning redistricting reforms and reaffirms the California Citizens Redistricting Commission's authority to draw congressional districts after the next census.

WHAT DOES A "YES" VOTE ON PROP 50 MEAN?

A YES vote on this measure means: The state would use new, legislatively drawn congressional district maps starting in 2026. California's new maps would be used until the California Citizens Redistricting Commission draws new maps following the 2030 U.S. Census.
